

Heeding God's Call to End Gun Violence®

**OUR MISSION: Heeding God's Call to End Gun Violence®
is a faith-based movement to prevent gun violence.**

THE FACTS

- There were 48,832 gun deaths in 2021 in the United States
- Many US cities suffer more gun homicides yearly than any other developed country.
- A small portion of gun retailers sell 90% of guns used in crime and violence.
- American faith leadership is largely absent from the movement to end gun violence.

OUR GOALS

- Persuade gun retailers to refuse to sell to those who would resell on the street and into the criminal market
- Unite and motivate people and communities of faith that are multi-racial, ecumenical, and interfaith to become activists to prevent gun violence - to "live their faith on their feet."
- Educate the public about straw purchasing and illegal gun trafficking - these are the guns used to threaten, wound, maim, and kill
- Be a spark to the American faith community to "own" the epidemic and problem of gun

Heeding God's Call is a 501(c)3 organization that depends on contributions from individuals and faith communities to carry out its mission. Please give generously. Send donations to:

Heeding God's Call, 414 Barclay Rd., Rosemont, PA 19010
